Rocket Packs Terms and Conditions

Images: We reserve the right to make changes in the form, function and equipment of our offered articles.

Shipping and VAT: Shipment is ex sales office Frankfurt/ Main plus the statutory VAT. (currently 19%) as well as postage and packing.

Delivery and payment: Unless otherwise agreed, our invoice is due net within 30 days. New customers exclusively via advance payment.

Delivery date: Standard articles and small quantities usually within 3-5 days after receipt of order. We try to comply with shorter delivery requests, however, they are reserved for us.

Special orders: If possible, however, a longer delivery time and additional costs surcharge are required. Exchange is excluded here.

Delivery and payment for special orders: 50% of the gross order value when the order is placed. In the case of special orders, production starts only after receipt of the down payment. 50 % before delivery. Return and exchange are excluded for custom-made products

Rental fees: Understand themselves plus the legal VAT. (currently 19%), packaging and shipping costs. The rental price includes the final cleaning of the rented goods and accessories.

Shipment of the rented goods: is carried out by UPS parcel service or another comparable shipping company from the sales office in Frankfurt/ Main. The delivery of the rented goods usually takes place 1 working day before the start of the rental, unless otherwise agreed.

Delivery and payment on rent: The rental fee is due after return of the rented goods, within 14 days from the date of invoice. We have calculated our rental prices without discount and therefore do not grant any deductions.

Return of the rented goods: The tenant undertakes to return the rented goods including accessories in good time. Rental items must be returned to the landlord no later than 3 working days after expiry of the rental period. In the event of default in return, default fees will otherwise be claimed.

Copyright: The company Szabó Rocket Packs can be held liable for infringements of copyrights and property rights on delivered documents such as, for example: no liability can be accepted for lettering, logos, drawings, photos, etc. All claims against Szabó Rocket Packs on the grounds of such an infringement of rights shall be borne directly by the customer.

Prices: When a new price list appears, the old price list loses its validity. In the meantime, we reserve the right to make price changes due to market conditions.

Complaints: The period for revocation/return for consumers according to § 355 (2) BGB is 14 days from the date of delivery note/invoice. Within this period, unused goods can be returned to us in their original packaging. Return of used goods is excluded! Only after checking the returned goods, the value of the goods will be refunded. Packaging and shipping costs are non-refundable. The return costs are to be borne by the consumer. There is no right of revocation or return for transactions with entrepreneurs and/or business operators.

Transport damage: Complaints must be made exclusively to the responsible delivery service and reported there for reimbursement by means of a damage report.

Liability: We are not liable for damages caused by the use of our articles or possible loss of profits due to force majeure such as unfavorable weather conditions, missing or insufficiently trained personnel, relocation or cancellation of the event, missing bar approval, etc. Neither claims for damages nor rent reduction can be asserted here. The rental item must be tested before use and any complaints or ambiguities must be communicated to the lessor without delay. Complaints received subsequently cannot be taken into account. The rented item is the property of the landlord. In case of willful damage or loss of the rented goods, the tenant is fully liable.

Warranty: 2 years from the date of purchase, against defects caused by improper processing or material defects. No warranty claim in case of improper handling, use or storage as well as in case of own reworking or rework.

Retention of title: The delivered goods remain our property until full payment.

Place of fulfilment: Frankfurt/Main is the place of fulfilment and agreed place of jurisdiction for all rights and obligations arising from transactions carried out with us.
